

Inspire Aviation Caloundra is an approved Flight Training Facility for both Recreational and General Aviation, located on the Caloundra airfield on the fabulous Sunshine Coast just north of Brisbane. Our services include Flying Training for all aircraft, Charter Services.

Training is available for RPC, RPL, PPL, NVFR, & CPL PIFR/MECIR Pilot Licenses. Our Instructors are not only Recreational Flight Instructors, but also Commercial Pilots holding CASA accredited Flight Instructor ratings with many years of flight training experience. No matter what your goal may be, we are here to help you achieve it, regardless of whether you are a part time student. Training is available 7 days a week providing the freedom to choose a training schedule that suits you. All theoretical exams are conducted in house up to and including PIFR, and this includes all flight tests.

We also offer Operational Colour Vision Assessment testing for those requiring this service.

Having fully qualified General Aviation & RA-Aus Flight Instructors, Inspire Aviation offers flying training for everyone who wishes to experience the thrill of flying. With our 4 late model, well equipped RA-Aus aircraft and 8 Cessna/Piper/Beechcraft aircraft and dedicated instructors, we provide the most affordable and professional flying training on the coast. Flying is FUN and that's why we want you to experience this great adventure. Call, email, or drop in to meet the team and enjoy a coffee. Together we can develop a program to suit your requirements.

We would love to have the opportunity to get you started towards your Aviation Career. All training is conducted here on Caloundra airfield including all exams and flight testing.
